

Quality Policy Statement

Asphalt Surfacing is a specialist contractor in the field of asphalt surfacing to the construction, highways and domestic markets. Our intention is to be our customer's surfacing contractor of choice and seek to build long lasting customer relationships.

In order to achieve excellence in our activities we have developed and implemented a Quality Management System, which satisfies the requirements of ISO 9001:2015 and demonstrates commitment to the National Highways Sector Scheme 16.

The management and staff who work at Asphalt Surfacing are committed to:

- Providing the highest level of customer service
- Continual improvement in performance and the effectiveness of the Quality Management System
- Complying with legal and other requirements
- Providing a framework for setting Objectives and Targets

The values underpinning the Quality Management System are:

- Our customers' and other interested parties needs shall be fully understood
- Suitable equipment, knowledge and skills are provided to fulfil our customers' needs
- The QMS is regularly reviewed and updated to take account of changing circumstances, customer needs, legislation and opportunities for improvement

This Policy and the Quality Management System have been communicated to all employees and persons working on behalf of the Company and is made available to the public upon request.
